THE POTENTATE SPEAKS—

Nobles:

With the closing of the 1935 Shrine year, I feel as though a few words in the nature of an informal report of the year's activities is in order.

The membership report on the opposite page tells its own story. The Temple has complied with our Imperial Council law and in doing so we have suspended an appalling number (4818) of our Nobles who were in arrears. The large majority of these Nobles have been in arrears for approximately five years and the cost to Medinah to carry this load has totaled over $125,000 in five years' time. Frankly, we hope and very sincerely so, that a large percentage of them will take steps toward reinstatement.

Financially, the year shows considerable improvement. We have kept faith with the Nobility in that we have exercised true economy in our expenditures and have lived within our income.

Our fund-raising campaign run last Spring was an outstanding event and adequately financed the cost of sending our organized units to the Imperial Council Session in Washington.

Another splendid feature of the past year was the organization of the Medinah Shrine Lunch Club. This is a very desirable Medinah activity and should be supported by the Nobility by a regular attendance.

To the Officers, Past Potentates, and members of the organized units, I extend my sincere thanks for their splendid co-operation throughout the year.

You will soon have new officers and I trust that you will give them the same whole-hearted support and backing which you have given the 1935 Officers. They have been loyal and faithful and I can assure you they have the full interest of the Temple at heart.

Yours in the faith,

Harry J. Gardiner

Potentate

1936 . . Dues . . $12.00

This one item keeps the Temple a going concern. Don't forget—you cannot visit your Temple nor any other Temple without your 1936 card. Don't forget—it is only through your payment of the $2.00 that the Crippled Children's Hospital is kept open. Since these Hospitals were opened, more than 50,000 children have been helped and given a chance to be self-supporting citizens. This is what your $2.00 has done.

Imperial Council Law . . . . . .

KINDLY NOTE the following Extracts from the Code and By-Laws of the Imperial Council:

Article IV, Section 2. The printing, circulating or distributing of resolutions, letters, tickets, or other devices, by a Noble, or Nobles, suggesting, recommending, opposing, or containing the names of proposed candidates for office in the Temple, is hereby prohibited. For any violation of this section the Imperial Potentate shall suspend the offending Noble, or Nobles, until the next regular session of the Imperial Council, and he may in his judgment declare the election of such officer or officers void and order a new election.

Article VI, Section 2. In each Temple of the Order the annual dues shall not be less than ten ($10) dollars, to be paid in advance by all members of the Temple, except life members and including candidates received during the year.

Article XXIX, Section 256. No Temple shall carry a member on its books who is more than two years in arrears without taking some action thereon.
